

Schedule 2

DOG EXERCISE AREAS

Criteria for Assessment of suitable "Dog Exercise areas"

- i. Reserves of sufficient size to allow exercise without conflict between other dog owners and other users of the reserve.
- ii. Adequate sight lines to allow dogs to be seen by owners at all times.
- iii. Existing fences or natural borders to enable delineation of area.
- iv. No children's playground within the reserve.
- v. No conflict with grazing activities within the reserve or on adjacent land.
- vi. Low levels of public use.
- vii. Adequately fenced from neighbouring properties.
- viii. Would not require development costs.

Dog Exercise areas

Otorohanga – All that area of Waipa River floodbank reserve land commencing at the State Highway 3 Bridge and running 200 metres upriver along the northern bank.

Kawhia to Aotea – Dogs may be exercised off leash on foreshore areas from the end of Kaora Street (adjoining C2A Maketu Block) through to the end of Morrison Road, Aotea, from sunrise until 9am and from 7pm until sunset each day. At all other times (i.e. from 9am until 7pm daily) and from 15 December to 8 February each year and on Easter, Queens Birthday, and Labour Weekends this area will revert to a leash control area.
