PROTECTING OUR COAST TOGETHER

Coastcare Waikato is a community partnership programme which works to restore coastal areas through the Waikato region. Here in the Ōtorohanga District, this programme involves the Waikato Regional Council, Ōtorohanga District Council, iwi and local communities at Aotea and Kāwhia, all working together to protect our coast. Together we plant thousands of plants each year and host weeding, planting and beach clean-up events.

We would love your help to restore, protect and look after the coast and all the species that live and grow here in the Ōtorohanga District.

THE FUN WE HAD OVER APRIL SCHOOL HOLIDAYS

Over the April school holidays we held a variety of activities for local children. During the first week of the holidays, we held an Easter Egg Hunt that was very popular. Children had to

find the Easter eggs that were hidden around the library. Chocolate Easter eggs were handed out as a reward for finding an egg/s. In the second week we held a couple of craft events. Children made their own fabulous bookmarks, and made ANZAC poppies that went onto our ANZAC wreath in the library. We also had a poetry creation station where people of all ages could build poems from LEGO and we offered a library scavenger hunt. Keep an eye on our library Facebook page for what will be happening next school holidays!

MEET THE TEAM

Cathy Plowright - PA to the Group Managers

Cathy is an English import who has called New Zealand her home since 1989. Since arriving in New Zealand, she's worked exclusively in local government, and has recently joined us from Waipā District Council where she worked as EA to the Mayor for the last 16 years. Prior to coming to New Zealand, Cathy worked for a wide variety of organisations, including the Financial Times in London and a family-owned business in the Sultanate of Oman. However, she feels she's found her niche in NZ local government and has thoroughly enjoyed working for the community and elected members in the Waipā District. She's looking forward to getting to know the Ōtorohanga community and learning more about our unique district. Cathy will be supporting our very busy Group Managers; with the aim of streamlining their processes and freeing up some of their precious time. Outside of work, Cathy loves walking and helping her husband with landscaping projects at their new home in Pirongia.

KING CHARLES III CORONATION PLANTING

On Saturday 6 May, an intimate gathering of Council, Mana Whenua and community planted three apple trees in acknowledgement of King Charles III's coronation. Attendees were deeply moved by the karakia and prayer shared for the reign of King Charles III, for an enduring partnership with Kingi Tūheitia and the prosperity of Aotearoa New Zealand. The trees were planted in Windsor Park and contribute toward the Ōtorohanga Town Concept Plan of integrating a wide variety of vegetation throughout urban areas.
