**IN THE MATTER**

of an application by Pauline Denise Te Wao pursuant to s.224 of the Act for the renewal of a managers certificate.

**MEETING** at Cambridge on 13 May 2016

**DECISION OF THE COMMITTEE**

The Otorohanga District Licensing Committee has before it an application by Pauline Denise Te Wao the renewal of managers certificate number 018/CERT/006/16.

Reports have been received from the Police and a Licensing Inspector. No objections have been filed in respect to this application, and it is therefore determined on the papers by the Chairperson alone in accordance with section 191(2) of the Act.

No concerns have been raised in respect to the criteria outline in section 227 of the Act, in that reporting Agencies believe the applicant is a suitable person to continue to hold a managers certificate. The applicant is familiar with the requirements of the legislation and the associated premises. She is aware of the responsibilities required of a manager. She has not come to the attention of enforcement agencies.

The applicant *holds the current qualification*. Therefore the Committee can renew the existing certificate for the full period of three years. *However it is noted the numbering of the current certificate does not conform with the current numbering system required by the Alcohol Regulatory and Licensing Authority, so a replacement certificate should be issued.*

Been satisfied as to the matters to which the Committee must have regard in s.227 of the Act the application is granted. The *replacement and renewal* certificate can be issued immediately.
