Reasons

1. This is an application by Kawhia Boating and Angling Club Inc for renewal and a variation of a club licence in respect of the premises situated at 124 Omimiti Street, Kawhia. The variation relates to the designation of the premises. The licence states that the bar area is supervised and the decking area is undesignated. The club requests that the whole of the premises is undesignated. The club was incorporated on 10 April 1981. The club has a membership of 435, of which 40 are juniors.
2. The application was advertised, and no objections have been received from members of the public. The Liquor Licensing Inspector, Police and the Medical Officer of Health have provided reports and do not oppose the application. Accordingly, the matter is decided on the papers (s 134).
3. The purpose of the Act is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to renew a club licence the licensing committee must have regard to sections 131 and 105 of the Act. Therefore this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) Is the applicant suitable?
 - b) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - c) Is the design and layout of the premises suitable?
 - d) Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - e) Does the applicant have appropriate systems, staff and training to comply with the law?
 - f) Have the police, inspector and medical officer of health raised any relevant considerations?
 - g) Will the amenity and good order of the locality be increased by more than a minor extent by the effects of a refusal to renew the licence?
 - h) Has the applicant sold, displayed, advertised or promoted alcohol in a responsible manner?
 - i) Does the application comply with the Otorohanga District Local Alcohol Policy?
5. Section 132 provides that the licensing committee may vary or cancel any conditions applying to the licence before its renewal.

Should the licence be renewed?

6. The licensing committee is satisfied that Kawhia Boating and Angling Club Inc is a suitable applicant to hold a club licence. There are no recorded complaints or concerns about how the club is operated. The club has demonstrated compliance with the Sale and Supply of Alcohol Act 2012.
7. Kawhia Boating and Angling Club Inc proposes to continue operating as a club from 9.00am to 1.00am the following day Monday to Sunday. The licensing committee is satisfied that these are

appropriate hours of operation and they comply with the Otorohanga District Local Alcohol Policy.

8. The licensing committee is satisfied that the premises has a suitable design and layout to meet the requirements of the Act. It is well appointed and able to be monitored effectively by the staff of the premises. The club has requested that the whole of the premises be changed to undesignated. This request is granted. It is appropriate that a family orientated club is undesignated. It is considered to be a low risk premises where children may attend club activities without their own parent or legal guardian from time to time.
9. The licensing committee is satisfied that the club has an appropriate Host Responsibility Policy and staff and committee member training programme which demonstrates that suitable measures will be undertaken in regard to responsible sale and supply of alcohol and that harm will be reduced. It is a condition of this licence that all staff and committee members are trained in their responsibilities and obligations under the Sale and Supply of Alcohol Act 2012. It is expected that a record of staff and committee training conducted over the previous three years will be supplied with every renewal application.
10. The licensing committee is satisfied that the club has sufficient Duty Managers who serve on these premises to ensure the responsible sale and supply of alcohol.
11. The licensing committee is satisfied that the renewal of the club licence will not reduce the amenity and good order of the locality by more than a minor extent. There have been no reports of any nuisance, vandalism or noise problems associated with this premises in the previous licensing period.
12. The conditions for this licence have been replaced to ensure that they are consistent with licences issued since the commencement of the Sale and Supply of Alcohol Act 2012. The new conditions include information about the statutory obligations relating to clubs, the display of signage and the maintenance of a manager's register.

Conclusion

13. Therefore, the application for the renewal of the club licence is granted.
