No objections have been filed in respect to this application pursuant to section 140 of the Act, and it is therefore determined on the papers by the Chairperson alone in accordance with section 191(2) of the Act.

Reports have been received from the Police, the Medical Officer of Health and a Licensing Inspector. No concerns have been raised in respect to the criteria outlined in section 142 of the Act.

There is no information to question the applicants suitability, and it is felt they have appropriate systems, staff and training in place to comply with the law. This, combined with the design of the intended premises, and the availability of food, low and non-alcoholic beverages leads to the conclusion that there is unlikely to be any negative effect on the amenity and good order of the area, and that ultimately the application satisfies the object of the Act.

However, in order to ensure that is the case a number of conditons have been recommended in respect to the application. Namely:

- b) The fees payable for the licence concerned are: \$207.00
