REASONS

1. This is an application by Kio Kio United Rugby Football Club Incorporated for a special licence for a wedding reception to be held at their premises on the 10 October 2026. The application was received more than 20 working days prior to the event as required by section 137 of the Act.
2. The Licensing Inspector, Police and Medical Officer of Health have no opposition to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4). In deciding whether to grant a special licence, the Licensing Committee must have regard to the criteria in s142 of the Act. Therefore, this Committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
 - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
 - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
 - i) Does the application comply with the Ōtorohanga District Local Alcohol Policy?

Should a special licence be granted?

4. The proposed event is a wedding. The couple have invited 75 people (12 minors) to this private invite only event. As it is a family friendly gathering, it is possible that minors may be in attendance without their parent or legal guardian.
5. The Licensing Committee is satisfied that Kio Kio United Rugby Football Club Incorporated is a suitable applicant to hold a special licence. The club currently holds a club licence and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012. The issue of a special licence for this event will allow the applicant to sell alcohol to non-members of the club attending the event. A Duty Manager will be present on the premises for the duration of the proposed event to ensure compliance with the Act. She will be supported by a trained committee member on the night. The Licensing Committee is satisfied that proposed hours are reasonable.
6. The Licensing Inspector reports that the application complies with the Ōtorohanga District Local Alcohol Policy.
7. The Licensing Committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised.
8. Given the nature of the event and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
9. The Licensing Committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The licensed area comprises the bar, kitchen, outdoor veranda and smoking area. A painted line demarcates the extent of the outdoor area, and the club is reminded that this area must be observed for the event. The area of the clubroom that will be utilised for this event can be seen from the bar. The applicant will provide sufficient food, low-alcohol and non-alcoholic refreshments. Finger food and platters will be provided.
10. The Committee notes that the club is located in a rural area, where alternative transport options may be limited. This is particularly important when the premises are used for weddings and other functions where alcohol is likely to be consumed. The club is reminded of the importance of providing clear information about alternative transport options, including sober driver services, and making a free phone available for customers to contact those services.

Conclusion

11. The Licensing Committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol. Therefore, the application for a special licence is granted.
