

Ōtorohanga District Council
Kio Kio-Korakonui Ward
Electing 1 Councillor

Andrew BARKER

My principal place of residence is not in the Kio Kio-Korakonui Ward area.

I'm asking for your vote in this year's local body election. I care deeply about our community and believe I have much to offer the Otorohanga District. Born in Beattie Home, I've lived and

farmed here all my life, raising my family in the district my parents also called home. This lifelong connection has given me a strong understanding of the people, places, and resources that make our district quite special.

Over 40 years of farming have equipped me with practical skills, business experience, and the resilience needed for local body representation. I value independence and impartiality and believe that constructive, collaborative decision-making is key to good governance. My many years of business and community involvement have shaped an analytical and thoughtful approach.

I'm passionate about our past, committed to our present, and excited about what our future holds. I will represent our community with respect, responsibility, and care.
