

Ōtorohanga District Council
Kawhia Community Board
Aotea Community Subdivision
Electing 1 Board Member

Geoff GOOD

My principal place of residence is in the Aotea Community Subdivision area.

The last 3 years since my election to represent Aotea subdivision on the Kawhia Community Board has been a great experience for me.

Getting more involved with Council decisions and plans has been a real eye opener and made me realise how important it is to have a local voice sticking up for Aotea Village.

It's also been a privilege and pleasure, as chair of the KCB, to be more involved with the Kawhia community.

Mel and I have lived permanently in Aotea Village for over eight years now and it's been amazing to be part of a community that is vibrant and growing.

And now that our Seawall has had its resource consent renewed for another 20 years, that growth is assured.
