

Waikato Regional Council

Waipā-King Country General Constituency

Electing 2 Regional Councillors

Liz STOLWYK

My principal place of residence is in the Waipā-King Country General Constituency area.

Vote for bold leadership, smart investment and commitment to serving you. I have spent a decade representing Waipa and served as Waipa Deputy Mayor for six years. If elected, I have

several key priorities: addressing the overlap between district and regional councils, improving public transport in our towns, advocating strongly for farmers regarding PC1 and keeping rate increases under control.

Andrew and I are proud Ohaupo dairy farmers, manage Lake Karāpiro Domain and are deeply connected to multiple community groups. 100% commitment – I always go above and beyond with integrity, experience and the ability to connect strongly with people. I will be visible and approachable right across Waipa/King Country.

Let's get better at working across boundaries, enhance and protect local lakes, while always supporting rural and urban communities.

With 30+ years of business experience, I aim to keep Waikato on track as the economic powerhouse of NZ.
