REASONS

1. This is an application by Kawhia Sports Club Incorporated for a special licence for a 60th Birthday Party for John Kanawa. The application was filed more than 20 working days prior to the event as required by section 137 of the Act.
2. The Liquor Licensing Inspector, Police and Medical Officer of Health have no objection to this application for a special licence (s 141). Accordingly, this application is decided on the papers (s 202).
3. The purpose of the Sale and Supply of Alcohol Act 2012 (the Act) is to put in place a new system of control over the sale and supply of alcohol (s 3). The object of the Act is to ensure that the sale and supply of alcohol is undertaken safely and responsibly, and the harm caused by excessive or inappropriate consumption of alcohol is minimised (s 4).
4. In deciding whether to grant a special licence the District Licensing Committee must have regard to the criteria in s 142 of the Act. Therefore, this committee must consider the following questions within the framework of the purpose and object of the Act:
 - a) What is the nature of the event? Does the applicant propose to engage in the sale of goods or provision of services other than those directly relating to the sale of alcohol, low-alcohol refreshments, non-alcoholic refreshments and food?
 - b) Is the applicant suitable?
 - c) Will the amenity and good order of the locality be reduced to more than a minor extent by the effects of the issue of the licence?
 - d) Are the days and hours during which the applicant proposes to sell alcohol reasonable?
 - e) Is the design and layout of the premises suitable? Are any areas of the premises designated restricted or supervised areas?
 - f) Does the applicant have appropriate systems, staff and training to comply with the law? What steps will the applicant take to ensure that alcohol is not sold to prohibited persons?
 - g) What proposals does the applicant have in relation to the sale and supply of non-alcoholic drinks and food, low-alcohol drinks and the provision of help with or information about alternative forms of transport from the premises?
 - h) Have the Inspector, Police and Medical Officer of Health raised any relevant considerations?
 - i) Does the application comply with the Otorohanga District Local Alcohol Policy?
5. The licensing committee may refuse a special licence even if there was no objection to the application (s 144). Sections 146 – 149 of the Act outline the compulsory and discretionary conditions for a special licence.

Should a special licence be granted?

6. The general nature of the event is a birthday party and up to 100 family and friends (of all ages) of John Kanawa are expected to attend this private event. Therefore, it is appropriate that the premises is undesignated. The licensing committee is satisfied that the proposed hours are reasonable and comply with the Otorohanga District Local Alcohol Policy.
7. The licensing committee is satisfied that Kawhia Sports Club Incorporated is a suitable applicant to hold a special licence. The club currently holds a club licence and has demonstrated compliance with the Sale and Supply of Alcohol Act 2012. The issue of a special licence for this event will allow the applicant to sell alcohol to non-members of the club attending the event.
8. A Duty Manager, Nancy Porima, will be present on the premises for the duration of the proposed event to ensure compliance with the Act. There will be two other staff members operating the bar. These staff members have received training in Host Responsibility practises and the Bar Manager's Guide. In addition, the club has applied to have the club secretary Judith Johnston appointed as a nominated manager in the event that the duty manager Nancy Porima is ill and unable to work. The licensing committee is not satisfied that an exemption may be granted from the requirement to appoint a duty manager in the event of illness of the duty manager (s 213). The licensing committee expects that an organisation that holds a club licence should have sufficient duty managers to provide cover when a duty manager is sick. If the club only has one certificated duty manager, then it urgently needs to employ another duty manager to ensure ongoing availability for every day operations and special events.
9. The licensing committee is satisfied that suitable measures will be taken to ensure that alcohol is sold and supplied responsibly, and that harm caused by inappropriate or excessive consumption of alcohol is minimised.
10. Given the nature of the events and the venue it is not likely that the issue of the special licence will adversely affect neighbouring properties.
11. The licensing committee is satisfied that the design and layout of the premises is suitable given the temporary nature of the licence. The applicant will provide sufficient food, low-alcohol and non-alcoholic refreshments. Free water will be provided. A courtesy vehicle will be available to transport patrons home is required.

Conclusion

12. The licensing committee is satisfied that the grant of the special licence with the appropriate conditions will ensure the safe and responsible supply of alcohol and the minimisation of harm caused by excessive or inappropriate use of alcohol. Therefore, the application for a special licence is granted.
